REPORT

The IIC and IEDC wing of National College of Pharmacy had clubbed together to conduct the "Business Fest 2022" on 12th October 2022 at 10:00 am. The event took place at the college premise with planning and management by the members of the E-Cell. The event started off with a small gathering of students and faculty members and the E-Cell logo was revealed. The winner was gifted with prizes by the faculty. The event orchestrated an assembly of creatively thinking entrepreneurs for the day and has managed to stir a sense of entrepreneurship among the students. There were stalls punctuated by selected students of different batches who meld their innovations and a sense of community together. Dr. S Kathirvel, IIC President of National College of Pharmacy judged the event based on set rules and regulations circulated prior. Tidiness and fair play were ensured with live reporting by select volunteers. The winning batch of students were given cash prize depending on their expense-profit ratio.

The competition was concluded by 3:00pm.

REPORT

National College of Pharmacy organised a Craft and Art exhibition in the name 'KINTSUGI: Embracing flaws and imperfections' to highlight the three R's of waste hierarchy- Reduce, Reuse, Recycle. All the exhibits were made from waste or unused materials. As a promo show a ramp walk also conducted by using waste or unused things as dress materials. Dr. Sujith Varma, Principal, National College of Pharmacy inaugurated the event. Dr. Akash Marathakam, Vice Principal, National College of Pharmacy gave the Presidential address. Ms. Sangeetha Sukumaran, Mr. Rajesh P, Ms. Jinsha P and Mr. Akhil Joy Co-ordinated the event. There was also a video presentation showing the destructive impact of unscientific waste disposal methods on mother earth, all its living creatures and it's result on health and social life of humanity. All the students of NCP actively participated in the event and presented their ideas. Students and staff from nearby colleges also visited the show and made it a grand success.

Dear Sir,

Subject: Request for Permission to conduct flash mob on antidrug day

I am writing on behalf of the NSS unit to formally request your esteemed permission to conduct a flash mob and poster presentation as an awareness program in connection with World Anti-Drug Day. This initiative is in line with our commitment to raise awareness against Drug Abuse and Illicit Trafficking as an expression of its determination to strengthen action and cooperation to achieve the goal of an international society free of drug abuse.

The program details are outlined as follows:

- **Title:** flash mob
- **Date:** 23.06.2022
- **Time:** 3.00pm
- **Venue:** Manassery

Thank you for considering our request.

Yours sincerely,
Mr. Vinod Thomas

Dear Sir,

Subject: Request for Permission to conduct community based campaigns on national deworming day

I am writing on behalf of the department of pharmacy practice formally request your esteemed permission to conduct community based campaigns on national de-worming day. This initiative is in line with our commitment to enhancing the awareness regarding the health threat of worms and for the promotion of de-worming as many children as possible in the 1-19 age group(pre-school and school).

The program details are outlined as follows:

- **Title:** information leaflet distribution
- **Date:** 10.02.2021
- **Time:** 11.00 am
- **Venue:** Manassery Town

Thank you for considering our request.

Yours sincerely,

REPORT

A community based awareness campaign was done on National deworming day, 10.02.2021. This campaign was initiated by department of pharmacy practice and family pharmacist program, National college of Pharmacy. Pharm D interns of our college visited 50 houses in the Mulkam Municipality and distributed Albendazole tablet. Both adult dose and pediatric dose were given as per the population. Patient counseling was provided while distributing the tablets in order to provide awareness about the importance and benefits of deworming, as well as preventing strategies related to improved behavior and practices for hygiene and sanitization.
