OCTOBER 31 2019

VENUE: BASKETBALL COURT

REPORT:

On 31st October 2019, a food fest was conducted and a food photography contest was organized at National college of Pharmacy.

A food festival, often abbreviated as "food fest," is an event that celebrates and showcases a wide variety of foods and culinary delights. These events provide a platform for students to showcase their culinary talents, explore different cuisines, and foster a sense of community within the college campus. A food photography contest at a food festival can be a fun and rewarding experience for both organizers and participants. It allows food enthusiasts and photographers to come together to celebrate the art of capturing culinary delights.

REPORT:

On 21st October 2019, **The Art of Painting 2k19** was conducted by National college of Pharmacy. In this regards a **face painting competition** is organized.

Face painting is a popular form of temporary body art in which designs or images are painted on a person's face, typically using safe, non-toxic, and hypoallergenic paints or makeup. It is often associated with children's parties, festivals, fairs, and various events, and can be a fun and creative way to express oneself or transform into different characters. Face painting can range from simple designs like animals, flowers, or stars to more intricate and elaborate creations, including superheroes, fantasy creatures, and intricate patterns.

The Program was inaugurated by Dr. Sujithvarma K, Vice Principal, National College of Pharmacy and the event was coordinated by Mr. Nihal P, Assistant Professor, Dept. of Pharmaceutics, National College of Pharmacy.

Many of the students are actively participated and wonderful paintings are created.

WORLD PHARMACISTS DAY

September 25th

v

REPORT:

On 25th September 2019 World Pharmacist day was Celebrated. Various events were conducted. The major attraction of this 2019 Pharmacist day celebration is a Pharma Quiz competition among the students. Pharmacists play a crucial role in healthcare, from dispensing medications and providing medication counseling to monitoring patient health and promoting overall wellness. Pharmacist Day is a valuable occasion to recognize and appreciate their work, as well as to educate the public on the significance of pharmacists in healthcare. It's an opportunity to celebrate the expertise and care that pharmacists bring to their communities.

The event was inaugurated by Dr. Sujithvarma K, Vice Principal, National College of Pharmacy and the Quiz competition was monitored by Mrs. Smitha P, Assistant Professor, and Dept. of Pharmacy practice.

REPORT:

On 16th September 2019, International Ozone day was celebrated. On this behalf a drawing competition was organized. The theme of drawing is '32 years and healing'.

The ozone layer is crucial for shielding life on Earth from the harmful effects of excessive ultraviolet radiation, which can cause skin cancer, cataracts, and other health problems, as well as harm ecosystems. While significant progress has been made in reducing ozone-depleting substances, continued vigilance and global cooperation are essential to ensure the long-term recovery and protection of the ozone layer. World Ozone Day serves as a reminder of these ongoing efforts.

The program was coordinated by Mr. Anilkumar B, Assistant Professor, Dept. of Pharmaceutical chemistry, National college of Pharmacy. Active student participation is leads to the success of this program.

REPORT:

On 7th September 2019, Onam celebration was conducted at National college of Pharmacy. Onam is a traditional and culturally significant harvest festival celebrated in the South Indian state of Kerala. It is one of the most important festivals in Kerala and is a time of great joy and festivities. Onam typically falls in the Malayalam month of Chingam, which corresponds to August or September in the Gregorian calendar.

The celebration was started with the creation of a wonderful pookkalam. One of the central traditions of Onam is the creation of intricate flower carpets called "Pookalam.. The festival lasts for ten days and is marked by various customs, traditions, and celebrations

The Onam feast, known as the "OnamSadya," is a grand vegetarian meal served on banana leaves. It includes a variety of dishes like rice, sambar, rasam, avial, and numerous other vegetarian delicacies. The Sadya is a significant part of the celebration. Various traditional programs were conducted by students.
