## REPORT:

National College of Pharmacy organized the **World art day Celebration** on 15<sup>th</sup> April 2021. In this regards we conducted a Wall Painting competition through online. Wall painting, also known as mural painting, is a form of visual art in which an artist creates a design or image directly on a wall or a large surface. Wall paintings can be found throughout history and across various cultures, serving a variety of purposes, from decorative and aesthetic to religious and political.

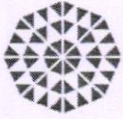

Many of the students are created attractive wall paintings within two hours. The coordinators of this program was Ms. Athira A, Assistant Professor, Dept. of Pharmaceutics and Mr. Vinod Thomas, Asst, Professor, Dept. of Pharmacy Practice, National College of Pharmacy.

### REPORT:

“The parents are first teacher’s and teachers are second parents’ who shape the future of students. So, for to show gratitude towards the teacher’s efforts and guidance as a mentor, students feels that it’s an opportunity to express their love towards teacher’s efforts so they celebrate teacher’s day every year. This year also, for making the teachers feel special, the students of National College of Pharmacy decided to celebrate Teacher’s Day. As to go on with the current pandemic situation, the Teachers Day celebration was done virtually through Google meet.

There was a drawing competition was conducted via online. The program was held on 5th September 2020 at 10:00 am. Most of the students participated and made the program a grand success.
