7.1.1: Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years. Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words

At NCP, we are committed to foster a culture of gender equity and inclusivity. The college has established an active Gender Sensitization Cell and implemented a range of gender-sensitive initiatives to foster inclusivity, safety, and empowerment for female students and faculty. The comprehensive gender sensitization policy of NCP extends across various facets including yearly gender audit, admission procedures, grievance handling, job placements, and in the establishment of rules and regulations.

Inclusivity:

- Admission Policy: Our institution proudly upholds a gender-neutral admission policy, welcoming individuals from all gender identities.
- Gender Inclusive Environment: In an effort to create an inclusive learning environment, gender neutrality is integrated in curricular and co-curricular activity.
- Various topics in curriculum enrich students toward gender equity thereby preparing students for a more equitable society.

Facilities for women on campus:

A. Safety and Security

- Women safety is ensured by security personnel including female guards stationed throughout the campus.
- A comprehensive surveillance network operates 24x7, ensuring a secure environment.
- College has established Grievance Redressal committee, Anti Sexual Harassment Cell, Anti-Ragging committees, to address any issues of discrimination or harassment promptly.
- Separate and secure hostel facilities (with meticulously maintained attendance registers) are provided for both male and female students, supported with wardens and security guards.
- Students are provided with safe transportation facilities, during night time for participation in curricular and co-curricular activities accompanied by staff.

- Both students and staff receive healthcare assistance in Medical college hospital in the campus.
- A day care center (Crèche) is conveniently located on the college campus, offering support for the toddlers of staff and students.

B. Counseling Support

- Our Happiness & Wellness Department offers counseling support for both students and staffs on campus. This support includes confidential counseling sessions provided by psychologists, ensuring the well-being and mental health of female students while respecting their privacy and consent. If additional support is needed, access to consultations with a psychiatrist is readily available.

C. Gender-Responsive Spaces

- Separate common rooms and restrooms are available for both girls and boys, providing comfort and privacy.

D. Gender Equity Initiatives

NCP organizes various programs supported by experts to interact with students and faculty on gender-related topics.

- International Women's Day Celebrations
- Personality Development Program for Students: "Equal Participation of Boys and Girls in Decision-Making"
- Poster Exhibitions on elimination of violence against women, Gender Equality
- Awareness Programs on Women's Equality, Gender Sensitivity, Anti Sexual Harassment, World Breastfeeding, Common Gynecological Disorders, women's health, menstrual hygiene, Nutrition in Girl Child
- Observance of National Girl Child Day and other relevant events. Institutions commitment to gender sensitivity has led to a diverse college community, with 70% female students and 60% female staff, fostering opportunities for women empowerment.
