WORLD ENVIRONMENT DAY

Department of Pharmacy Practice organized World environmental day on 5.06.2023 at National College of Pharmacy. World Environment Day was a momentous occasion at NCP as we embraced a greener future with a host of green initiatives! Our commitment to sustainability was on full display as we celebrated this important day. Together, we took significant steps towards preserving our planet and creating a better world for future generations. Through this programme introduce money plant for every department and provide paper bag.

KINSTUGI- CRAFT AND ART EXHIBITION

National College of Pharmacy organised a Craft and Art exhibition in the name 'KINTSUGI: Embracing flaws and imperfections' to highlight the three R's of waste hierarchy- Reduce, Reuse, Recycle. All the exhibits were made from waste or unused materials. As a promo show a ramp walk also conducted by using waste or unused things as dress materials. Dr. Sujith Varma, Principal, National College of Pharmacy inaugurated the event. Dr. Akash Marathakam, Vice Principal, National College of Pharmacy gave the Presidential address. Ms. Sangeetha Sukumaran, Mr. Rajesh P, Ms. Jinsha P and Mr. Akhil Joy Co ordinated the event. There was also a video presentation showing the destructive impact of unscientific waste disposal methods on mother earth, all its living creatures and it's result on health and social life of humanity. All the students of NCP actively participated in the event and presented their ideas. Students and staff from nearby colleges also visited the show and made it a grand success.
